Sir,

With reference to your recent order giving warning to Mr. Sewell that his services will not be required after 1st January next, I have the honor to inform you that I have just heard of a fresh outbreak of plague of 7 cases and 2 deaths in the vicinity of Hirigam Village and the reinfection of the Mysore mines as per enclosed report from Mr. Sewell and as I am of opinion that it would be premature to dispense with his services just at present I would beg to request that his services be extended until March 1st next when we shall be in a better position to see whether plague will return to the fields.
